Dear Terry and Rob;

Congratulations! All the numbers are in for 2009 and Metal Construction Resource, LLC achieved the No. 1 position for CBS-Xpres sales nationally for Ceco Building Systems. What a great achievement this is for you and for Ceco.

I know how hard you have worked to distinguish yourselves in this market. You have applied thought and ingenuity to the CBS-Xpres product market during a very difficult economic time. This makes your accomplishment that much more exciting and impressive.

From all of us at Ceco to everyone at Metal Construction Resource, thank you and keep up the good work!

Sincerely,

Roger A. Burlingame
President
